A CREAT REMEDY!

Such's California Asthma Cure! TO THE PUBLIC. For the past two years pecially in the morning, as soon as I would awake. This cruin's all said terminated in amoust severe uttack of asthmachine heing a disease bereditary to our family. Last as this heing a disease bereditary to our family. Last as gust, 1872. I was seized with a most severe attack of sathma. I coughed so much that it seemed to take away all strength. I occile can nothing without its giving me severe pain to the cheat and lungs. I could be a very morning to the form of the politic as warmer climate, and I went to San Jose, but change of climate had no effect, and when I left San Jose, but change of climate had no effect, and when I left San Jose. I never expected in recover. I finally tried this venice is the relief at more that I continued taking it and it effected a complete and radical cure. I am now as hale and hearty as I ever was him yille. I have recommended it is otherway results. I now recommend it to the public because I believe, as a remedy for asthma, it has no equal.

San Francisco, March 12, 1872.—To all schem if may

SAN FRANCISCO, March II, 1872.—To all whom if a concern.—This is to certify, that I had a severe cough many years. I book all medicines I could hear of coughs and the arthurs, but all test its effect in a few dated before unit associated. coughs and the actions, but all lest its effect in a tew on, and being well acquainted with the vegetable kingdom have made galicias for myself, and all had about the saveflect after several days taking, until Mr. Soch, the Go Samarikan, came along with a bottle of his Cattrons Astrona Curat, which helped me very much. My cast ing of long standing, I can truly recommand the medic to others. Respectfully yours, DR. L. Gill-Pin.

Who is Joseph Arch? Sketch of the Great Labor Reformer_Proposed

Emigration Scheme. Joseph Arch an English laborer, a man

honest, blunt and brave, is in America.

and this is his homely sketch. "My father was a workman, and the

summer when I was nine saw me at sergot up and then, at harvest, I'd help the by and it was Joey Arch, the plowboy. Then I drove a tidy team and began to you have advanced." think myself a bit 'o a man. I worked from light till dark. Father was no scholar, and night-times I had a trifle 'o teachin' from my mother. In summer I cholera, harvested, and in winter helped the shep. The Alvarado Beet Sogar Company have herds, ran errands and growed up goodfor-nothing like. When I was not quite A land slide in the Peruvian Andes has made one-and-twenty I found a good lass for a a waterfall in the Rimac river 800 feet high. wife. Mother was dead, and wife and I An average of about one car-load of immigrants made a good home for father. My weekly per day is arriving in California from the East. wages was nine shillings. A nice girl was born, and then a boy, but all I could earn was nine shillings. Well, in time, August. with coals, candles, medicine, and rent, the best I could do was a little better by French railroads to religious pilgrims in that than starvation. Wife and I had a migh. country. ty hard struggle to keep together, and one night she broke out: 'Joe, man, Pm gary, where the deaths in some districts are fifty tired o' this. We're starving the children and killing ourselves. I don't blame you man, but I'll needs go to service to earn the little I can for you and the children.' I couldn't stand this, and I packed my tools and went to work for higher wages. I tried hedge-draining, and for many a month stood in water up to my knees. A sickness came presently, and wife, damage to property but no lives were lost. children and myself were down with the small-pox. Ay, those were hard times, carries the scars, I commenced the strug- competitive examination. men of England, on the pay of a laborer, some treasory experts. and the shillin's I receive go to my family Monkeys do possess intelligence and useful- Have Removed! ness, after all. At least one in New Orleans at home as so much weekly wages.

A simple agricultural laborer in England, I come to America to state some with both these attributes. facts and get at some truths. I am not a fore I return. I should be glad to tell it course, is to prepare its patrons for the death in New York. I know little grammar, which inevitably awaits them. I shall make verbal slips, but when the American people fully understand the obea you have no conception of what farm laborers have to endure. The Agricultural Laborers, Union, of which I am a member, has succeeded increasing the wages some, but there are many districts where the man of a family toils ten and twelve hours a day for nine shillings per every ten minutes. week. Through the Union the laborers are being brought into a close sympathy. The Union lads number a hundred thouser. They are realizing that vital rights have been denied them, and are learning bow to effectively unite in the struggle for a common freedom. I am told that the impression prevails in America that the English farm laborer is not oppressed. If I do not correct this erroneous view, I rifle and shot himself. shall fail in one of the main objects of my visit. I assert that the longing of the farm hand for a home in the new world grows out of the injustice of the English tion true. I am here in the teeth of the began in May, 1870, and its cost will be some aristocracy of England to show that aris- what more than \$1,000,000. tocratic legislation for the laborer is criminally unjust. I have a little patch of de Joinville said: "One day, at the height of land down in Warwickshire-only an that terrible crisis of secession, when the existeighth of an acre, that is leased me to ence of the American Republic was most in peril, farm. Wife and children grow the cab. I saked Mr. Lincoln what was his policy. 'I have bages, and cauliflowers and Brussel's none, he replied, 'I pass my life in preventing sprouts. I can't get to that little garden spot without passing the preserves of the gentry, and when the rabbits and the hares destroy my garden I have no address. If I kill the four-legged poachers I am fined or sent to jail. The employer notice, and the poor lad has no redress. he can be summoned before the Court, from their wheat crop the present season. and obliged to pay a fine or suffer imprisonment. The rural police have pow. Gazette writes: " The currency question is ocer to stop a poor man and search his cupying public attention here. The inflax of the pockets, and if the insulted laborer seeks silver which Germany will no longer need is apredress the officer screens himself by de- prehended. The Antwerp Chamber of Commerce claring that he had suspicious, as the has repeatedly addressed the Minister of Finance
